QAUJIGIARTIIT

issue No. 2

Who are we?

The goal of Qaujigiartiit Health Research Centre is to enable health research to be conducted locally, by Nunvummiut, and with communities in a supportive, safe, culturally-sensitive and ethical environment, as well as promote the inclusion of both Inuit Qaujimajatuqangit and western sciences in addressing health concerns, creating healthy environments, and improving the health of Nunavummiut.
