

JOB OPPORTUNITY

Qaujigiartiit Health Research Centre is looking for a motivated, energetic individual to fill a vacant position. Qaujigiartiit is a non-profit community research centre founded in 2006 which is based in Iqaluit and operating throughout Nunavut.

PROGRAM EVALUATOR AND DATA ANALYST

The successful applicant will be working with our dynamic and creative team in Iqaluit and across Nunavut to work collaboratively to implement research related to community health program evaluation, data analysis and critical literature review.

The position is located in Iqaluit and requires the ability to travel within Nunavut and Canada.

QUALIFICATIONS

The successful applicant will have:

A passion for working with Nunavut communities and a deep understanding of community contexts in Nunavut

A degree in any field (equivalencies and relevant experience will be considered)

Experience with project management & coordination, proposal development, and research. Planning and organizational skills are required

Basic knowledge about community health or public health in Nunavut.

Working knowledge of computers and software is required, especially MS Word and MS Excel. Data entry and analysis skills are required.

Excellent literacy and numeracy skills. Must be able to read articles and reports and synthesize data. Must have excellent writing skills in English.

Must excel in a multi-lingual, multi-cultural environment.

Inuktitut language skills are an asset.

Must have lived in Nunavut for a minimum of 3 years. Priority will be given to Nunavut Land Claim Beneficiaries and long-term Nunavummiut.

A criminal record check will be necessary to interview youth. Applicants, **please send a current resume and a 1-page cover letter detailing your relevant experience and qualifications** to Dr. Gwen Healey Akearok at gwen.healeyakearok@qhrc.ca.

Deadline for application: 5pm, Tuesday, March 17, 2020.

Interviews will be scheduled the week of April 1 2020. For serious inquiries or copies of the full job description, please email Dr. Gwen Healey Akearok at gwen.healeyakearok@qhrc.ca.
